

Wharf Pool FAQ's

Q - Can I get a membership for Wharf Pool

A - At the moment there is a long waiting list for Wharf Pool.

Q - If I join the list how long will I have to wait for a ticket.

A - We cannot say exactly. We are offering a limited number of new memberships as and when existing members do not renew their tickets. However, we have reduced the number of members on Wharf Pool considerably so unfortunately for people joining the list now there could be quite a wait.

Q - How do I get on the waiting list for Wharf Pool?

A - Please send an e-mail to fish@wharfpool.co.uk with your contact details, some information about yourself and your angling experience.
